IndusCo, Ltd.
2319 Joe Brown Dr.
Greensboro, NC 27405

Gentlemen:

We have been experimenting with your Bioshield 75 product at our AmeriSuites Hotel in Blacksburg, Virginia.

Although we were quite skeptical at the outset, this product appears to perform as good as or even better than claimed! In an industry where public scrutiny is constant and often damaging, Bioshield 75 has the potential to allay even our industry's harshest critics.

Thanks for introducing us to this product.

Dennis Dowdy
